*Proceedings of the Madras Government, Revenue Department,
1st November 1875.*

No. 18. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, dated Trichinopoly, 1st September 1875, No. 2,587/88 :—

I HAVE deemed it necessary to direct Captain Cloeté, Deputy Superintendent, Revenue Survey, to proceed to Wynaad, and himself see survey operations commenced with an augmented establishment at the commencement of the working season early in September.

2. I have the honor to submit, for favorable consideration, an application from that officer (*vide* appended extract) for some extra allowance whilst employed in the Wynaad.

3. The allowances of employes in all other departments are considerably augmented whilst serving in that locality. The Department Public Works grant 50 per cent. additional, and the Police have large special allowances given to both officers and men. The Deputy Inspectors-General of Police draw them when on inspection duty (*vide* G. O., 13th April 1875, No. 849).

4. I may mention that it was found too costly to depute a special officer of the Survey Department for the sole charge of the establishments working in Wynaad and on the Nilgiri Hills; this officer was consequently withdrawn. Whilst performing the duty, however, he drew Rupees 5 per diem as batta.

ENCLOSURE No. 1.

Extract from Captain Cloeté's letter, dated 21st August 1875, No. 1,070/400, paragraph 3.

I have the honor also to forward extracts from two orders of Government granting Police officers 10 Rupees a-day while in Wynaad and Kollegal, and request that, if you think fit, application may be made for the grant of a similar allowance to me.

Mileage to Wynaad and back does not nearly cover my actual expenses, and I may mention that my work this season will be chiefly between Sultan's Battery road and the Mysore frontier.

No. 19. ORDER THEREON, 1st November 1875, No. 1,556.

Miscellaneous.

CAPTAIN CLOETE will be permitted to draw travelling allowance at 10 Rupees a-day while actually in the Wynaad as allowed to Police officers.

2. This allowance will be in substitution of the fixed travelling allowance at present drawn by him.
