PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th July 1875.

[illegible], Deputy Collector, in charge of Salt Department, Ganjam, to R. DAVIDSON, Esq., Collector of Ganjam, dated 5th June 1875, No. 98 :—

REFERRING to the Standing Circular of the Board of Revenue, dated 16th November 1865, No. 85, I have the honor to submit my report on the salt approaches in this district in 1874-75.

2. The approaches at Ganjam and Nowpada and Nos. 2 and 3 of the Calingapatam Division are in repair. No. 1 of this division and the approach to the Surla pans suffered a good deal from the heavy rains in October, and latterly by heavy traffic. The grant for maintaining these approaches being insufficient, I have as a special case applied for a sum of Rupees 900 to put them in thorough order.

No. 1,296.

SUBMITTED to the Board of Revenue.

2. The Salt Deputy Collector has been requested to pay particular attention to placing edge ridges along the sides, otherwise the gravel is soon washed off.

CHETTERPORE, 8th June 1875.

(Signed) R. DAVIDSON, Acting Collector.

SUBMITTED for the information of Government, with reference to G. O., dated 2nd October 1865, No. 2,379.
