Proceedings of the Board of Revenue

Read the following

No 169.

From Koti Subbarow

General Deputy Collector of

Kistna District

To H. Newman Esquire

Acting Collector of Kistna District

Sir,

I have the honor to state that one Kottapalli Rajanna of Divinali in the Sattad Taluq applies for permission to excavate a charitable Tank in 3 acres of D. No $\frac{56}{7}$ of A 173-28 which is Government assessed waste of Gangireddypad in the same Taluq.

2. The land applied for is the site of a charitable

charitable Tank dug, without permission, about 30 years ago, by one Yamarti Yara-kaligadu, which for want of repairs became ruined about 14 years ago; the piece of land is not, however, exhibited as Tank site ~~site~~ in the Public accounts.

3. The applicant is prepared to spend some Rs 250 on the work. The bund is proposed to be 9 yards in breadth, 3 in height, and 120 in length. The Tank will be fed by the surface drainage of the adjacent fields, and will be provided with an escape at the northern corner. The construction of the Tank at the proposed site will affect no public or private work. The applicant is well circumstanced to carry out the work. There are

are no water works within a mile of the site, and its formation will prove highly beneficial both to travellers and cattle.

4. Yarakaligadu has, moreover, expressed in writing, his willingness to give up his ruined Tank, should the applicant form a new one there.

5. Under these circumstances, I beg you will be good enough to obtain sanction to make over the 3 acres applied for to the applicant, subdividing the same from the number, and making the requisite transfer in the public accounts.
