Proceedings of the Madras Government, Revenue Department,
4th November 1875.

No. 51. Read the following Proceedings of the Board of Revenue, dated 4th October 1875, Miscellaneous No. 8,967 :—

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 22nd September 1875, No. 560.

Referring to Board's Proceedings, No. 1,958, dated 3rd October 1872, and G. O., dated 22nd idem, No. 1,461, and 6th February 1873, No. 152, I have the honor to state that, from inquiries since made, it appears that there is a further extent of land, private property, measuring acres 20·25 in the slope referred to by the Municipality, the cultivation of which is open to the same objection as the plot of land already purchased. I therefore request that the Board will obtain the sanction of Government to my purchasing the land from the owners at the same rate at which lands in the neighbourhood have already been purchased. There is some waste land in the same slope, the whole of which I have now ordered to be reserved for the conservancy of the tank.

Submitted for the sanction of Government.

No 560.

From R. J. Melville Esqr.
Actg: Collector of the
Chingleput District

To H. E. Stokes Esqr.
Acting Secretary to the
Board of Revenue
Madras.

SIR,

Referring to Board's Proceedings No: 1958, dated 3rd October, 1872, and Government Order dated 22nd idem No: 1161, and 6th February 1873. No: 152, I have the honor to state that from enquiries made, it appears, that there is a further extent of land, private property measuring acres 20.25 in the plots referred to by the

Municipality, the cultivation of which is open to the same objection as the plot of land already purchased. I, therefore, request that the Board will obtain the sanction of Government to my purchasing the land from the owners at the same rate at which lands in the neighbourhood have already been purchased. There is some waste land in the same plot the whole of which I have now ordered to be reserved for the conservancy of the tank.
