*Proceedings of the Madras Government, Revenue Department,
6th November 1875.*

No. 91. Read the following letter from C. RUNDALL, Esq., Acting Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, dated Kangaiyam, 5th October 1875, No. 2,084-48 :—

ADVERTING to G. O., No. 1,931, of 17th ultimo, I have the honor to intimate, with reference to paragraph 2, that work in connection with the villages under the Perryaur Project has not yet been commenced in the Madura District. Mr. Clogstoun has arranged for the movement of a Field Party of Classifiers to that district to undertake the preliminary work about the middle of next month, and I propose then visiting Madura, and seeing that the requisite operations are fairly and properly started.

2. In this way a field of work will be ready for Mr. Clogstoun's inspection when he returns early in January from privilege leave; and the field-hands will have become, in some measure, acquainted with the country, and be distributed throughout various portions of the tract of villages before the harvesting of the paddy crop commences in January.

3. Under this arrangement, as work will only be in progress in Madura during the latter portion of Mr. Clogstoun's absence, there will, I consider, be no need to place the party to be employed there under the Acting Sub-Collector of Madura. Such an arrangement would necessitate a division of the Deputy Director's Office establishment between the two districts, and this would be undesirable.

No. 92. ORDER THEREON, 6th November 1875, No. 1,594.

The arrangements proposed by the Acting Director of Revenue Settlement are approved.
