With reference to an inquiry from the Government of India, whether there is reason to suppose that any errors of double entry have been made in the Trade Returns, the Collectors of the maritime districts were called upon to report, and the letters above recorded are in reply. The Collectors confirm the Board's statement in paragraph 2 of their Proceedings, dated 12th April 1875, No. 900, that no such mistakes appear to have been made. The attention of the Custom officers, however, has been drawn to the point, so that the possibility of such mistakes may be guarded against.
