*Proceedings of the Madras Government, Revenue Department,
6th November 1875.*

No. 99. Read the following letter from A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Statistics,) to the Secretary to the Government of Madras, dated Simla, 23rd October 1875, No. 610 :—

I AM directed to acknowledge the receipt of the Proceedings of the Board of Revenue analysing the trade of the Madras Presidency for 1873-74, forwarded with your letter of the 29th ultimo, No. 1,426.

2. The period of report has now long passed, and an analysis of the trade of British India for the succeeding year, 1874-75, which has recently been prepared in this department, will shortly be published. It is, therefore, unnecessary at this late period to offer any observations on the Board's review of the trade of Madras for 1873-74.

3. In future, the submission of these reports separately will not be required, and may be dispensed with. It was suggested in paragraph 18 of the Resolution, recorded in this department on 30th April last, No. 66—69C, that the annual volume of trade and navigation for each Presidency might be prefaced by general remarks explanatory of the course of trade during the year and of the fluctuations therein from time to time. I am now to suggest that such a review as that of the Board on an enlarged scale might, with advantage, be printed and issued with each annual account of trade and navigation for Madras commencing with that for 1874-75, a copy being, if possible, in future years forwarded to this department before the 1st of August if the annual account to which it is a preface is not itself ready by that time.
