*Proceedings of the Madras Government, Revenue Department,
8th November 1875.*

No. 105. Read also the following letter from Surgeon-General E. BALFOUR, Surgeon-General, Indian Medical Department, Fort St. George, to the Secretary to Government, Revenue Department, dated Fort St. George, 23rd October 1875, No. 544 :—

WITH reference to the Proceedings of Government, Revenue Department, No. 1,397, of the 22nd ultimo, I have the honor to support the recommendation of the Superintendent, Revenue Survey, that a batta of 8 Annas per diem be allowed to the Hospital Assistant attached to the No. 1, Revenue Survey Party, serving in Wynaad. All other servants attached to that Party are granted an extra allowance, because of the trying nature of the climate for natives of the plains and the greater cost of living.

2. Under existing orders of Government, an extra allowance is granted to Hospital Assistants employed in malarious districts like Goomsur and the Upper Godavery Districts, to enable them, by good food and sufficient clothing, to resist the influences of climate to which they are exposed, and, in my opinion, a similar indulgence is necessary for those located in the district of Wynaad.

No. 106. ORDER THEREON, 8th November 1875, No. 1,601.

Miscellaneous.

UNDER the circumstances stated in the foregoing papers, the Governor in Council sanctions the grant of batta, at

8 Annas per diem, to the Hospital Assistant attached to the Revenue Survey Party in Wynaad.
