*Proceedings of the Madras Government, Revenue Department,
8th November 1875.*

No. 107. Read the following Proceedings of the Government of India, Financial Department, dated Simla, 7th October 1875, No. 3,809:—

Read again Financial Accts. (Proceedings) A May 1875, Nos. 3—5.

Read also the following letter from R. B. CHAPMAN, Esq., Secretary to the Government of India, Financial Department, to the Comptroller-General dated 27th May 1875, No. 995.

In forwarding to you the accompanying copy of a despatch from Her Majesty's Secretary of State for India, No. 87, dated 18th February 1875, I am directed to state that it has been decided by the Governor-General in Council that all remittances of money to England, through the India Office, on account of the cost of appeals to the Privy Council on behalf of estates under Courts of Wards, shall be made at the lowest rate of exchange at which bills on the Presidency concerned were sold by the Secretary of State at the time according to latest information. The Accountants-General should be informed to this effect.

From the Secretary of State for India, to the Government of India, dated 18th February 1875, No. 87.

I HAVE considered in Council your Financial letter, dated the 31st December last, forwarding, with reference to my despatch, dated the 8th October 1874, No. 512, copy of your Resolution of the 27th November 1873, prohibiting the remittance to England by private bills of money required for payments on the public service, and directing that all remittances of that nature shall be made through the Government of India.

2. I fully concur in the propriety of the rule which you have laid down, and, as you are of opinion that remittances to the Solicitor to this office from the Remembrancer of Legal Affairs on account of appeals to the Privy Council on behalf of the Court of Wards come within the designation of remittances on the public account, I will not object to the necessary payments being made through this office.

3. Care must, however, be taken that any loss which may be entailed on Government by the adoption of this course of procedure must be made good out of the estate of the minor on whose behalf the Court of Wards may be acting.

From the Government of India, to the Secretary of State for India, dated 27th May 1875, No. 175.

WITH reference to your despatch, No. 87, dated the 18th February 1875, we have the honor to state that, in order to ensure the Government against any loss which may arise from remitting, through the India Office, the costs of appeals to the Privy Council on behalf of estates under Courts of Wards, we have decided that the charge upon the estates for such remittances shall be at the lowest rate of exchange at which Secretary of State's bills on the Presidency concerned have been sold before each remittance.

ORDER.—Ordered that these Proceedings be communicated to the several local Governments and Administrations for information and guidance.
