*Proceedings of the Madras Government, Revenue Department,
11th November 1875.*

Read G. O., Financial Department, dated 20th October 1874, No. 1,797.

Read again G. O., Revenue Department, dated 3rd March 1875, No. 348.

No. 140. Read also the following Proceedings of the Board of Revenue, dated 8th September 1875, No. 2,515:—

Read the following letter from J. HOPE, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 22nd July 1875, No. 250.

I HAVE the honor to submit a statement showing the accumulated surplus of the five villages referred to in paragraph 13 of Board's Proceedings, No. 2,753, dated 25th September 1874.

ENCLOSURE No. 1.—Statement.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 6th November 1874, No. 3,189.

2. The Board do not think that any portion of the surplus can be appropriated for the Ghaut Police as suggested by the Collector.

No. 141. ORDER THEREON, 11th November 1875, No. 1,619.

Miscellaneous.

THE Government proceed to pass orders on the scheme for the final revision of village establishments in the Kurnool

District, as reviewed by the Board of Revenue.

2. In their Proceedings of the 6th of November 1874, No. 3,189, the Board noted that the principal points then ready for the decision of Government were three in number, but orders were then passed

G. O., 3rd March 1875, No. 348.

only on that relating to the investment

of the unappropriated portion of the surplus which was sanctioned.

3. The other points were as follow:—

(1.) The revision of the establishment at a cost of Rs. 32,340 per annum.

(2.) The grant of Rs. 2,070 for ghaut huts.

With regard to the latter, it is observed that the Government have already excluded the estimated cost of improvements to the ghaut huts from the amount to be invested, and they now formally sanction the proposed expenditure.

4. The revision of the establishment, as approved by the Board, is sanctioned, and the Government agree with their remarks, in regard to allowing the Reddis an option as to the manner in which they will receive their salaries, and as to the expediency of establishing a system of rewards to this class of servants.

5. The Collector proposes a reduction of the cess from one Anna to nine Pies, and the principle that all the surplus funds should be devoted to the reduction of cess

is one that meets with the entire approval of the Government. They notice, however, that in the calculations in his original report (dated 15th July 1874, No. 264, paragraph 26) the Collector took credit for a higher rate of interest than will be received from the investment since sanctioned, and though it seems probable that the reduction can still be effected, the matter should be again reported on after careful consideration with reference to this fact and to the proposed employment of paid Nirguntis.

6. Proposals should also be submitted for utilising locally the surplus belonging to the five villages referred to in the Board's Proceedings of 8th September last, No. 2,515. No portion can be spent on the ghaut Taliaries.
