Sanction.

2. He passed the General Test in English in 1867, but not in the Vernacular, to appear for which his duties hardly leave him leisure. His first entertainment as Clerk in this Office was on the 1st October 1869 and his ser-

vice including those as a Murchi in the Head Assistant Collector's Office and as a Vernacular Assistant in the Collector's Office amount to 9 years and 7 months.

3. He has since his appointment as Clerk served in the Vernacular branch nearly six or seven

years under several Assistant and Deputy Collectors to whom he has given satisfaction.

He possesses a good knowledge of the Vernacular of the District. I consider him competent to perform the duties of a clerk either in the Vernacular or in the English branch. I have therefore the honor to request that Sanction be obtained for exempting him from the necessity of passing the General Test in the Vernacular.

4. Approved Service in the Vernacular branch for 7 years is a sufficient guarantee for
