Proceedings of the Madras Government, Revenue Department,
13th November 1875.

No. 177. Read the following Proceedings of the Board of Revenue, dated 14th October 1875, No. 2,869 :—

Read again Board's Proceedings, dated 24th September 1875, No. 2,687.

Read also the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 28th September 1875, No. 372.

I HAVE the honor, with reference to the Miscellaneous Proceedings of the Board, without number, dated the 24th instant, to state that the Nazir of the Civil Court was appointed ex-officio stamp vendor under the authority of Government Order, Revenue No. 483, dated the 20th March 1872, communicated by the Board with their Proceedings, Miscellaneous No. 2,399, dated the 3rd April 1872.

2. I reported in my letter, No. 385, dated the 2nd December 1872, that the Nazir had been so appointed.

3. No security was taken from him because the Board, in their Proceedings, No. 1,333, dated 19th July 1873, embodied in Government Order, Revenue Department, No. 895, dated 22nd August 1873, ruled that none should be taken.

SUBMITTED for the information of Government in continuation of the Proceedings above quoted.

2. The Collector's letter of the 2nd December 1872, with other replies from Collectors to the Board's Proceedings of 3rd April 1872, No. 2,399, calling for report as to the establishment of sale depôts, was recorded in Board's Proceedings, dated 23rd May 1874, No. 1,232, with reference to G. O., dated 5th March 1874, No. 315, which conveyed the sanction of Government to the substitution of sale by licensed vendors on discount wherever the system of sale by ministerial officers of the Court was found to be productive of inconvenience. It does not appear, therefore, that the nominations of particular Court officials, though duly reported, have ever been formally ratified, and Collectors will now report to what extent the system of opening sub-depôts at the Courts was carried into effect. From the replies to Board's Proceedings of 3rd April 1872, it would appear that the system was not generally introduced; and, as sale by Court officials who have given no security is attended with risk, other arrangements should be made wherever possible.
