Collector on general duties has been employed exceeding the sanctioned number of fifty removal of one of those originally allotted.

2. From a reference to the correspondence while the additional Deputy Collector was connected with the operations of the Irrigation Company's Canal in that district, his retention and permanent employment on general duties was sanctioned on a consideration of the requirements of the district which has no Sub-Collector.

Presidency, he is unable to provide one, sanctioned.

5. I am now, therefore, to request that His Excellency the Governor-General in Council will be pleased to reconsider the decision embodied in the report from the Collector of Kurnool dated 27th May 1875, Nos. 307-308, from which it would be seen that the special duties of the second Deputy Collector necessitate his retention beyond the term, 31st December 1875, already sanctioned by the Government of India.

SIR,—In reply to your letter of the 1st April last, No. 285, I am directed to state that, though a second Deputy Collector has been sanctioned for Kurnool for some years without effect, this was only effected by the District of Malabar.

which then passed, it appears that, in view of the special work connected with the Irrigation Company's Canal in that district, his retention and permanent employment on general duties was sanctioned on a consideration of the requirements of the district which has no Sub-Collector.

3. Kurnool has eight taluqs, and as two of these, owing to their being separated from the rest of the district by the Nallamallay Hills, must form a separate division, there remain six taluqs, the charge of which is more than can be properly conducted by one divisional officer and the Collector whose Assistant is necessarily rarely qualified to hold an independent charge, or exercise high Magisterial powers.

His Excellency in Council is desirous that Kurnool should have a second Deputy Collector. The pressing necessities of Bellary, which is the largest ryotwar district* in the Presidency, he is unable to provide one, unless an additional Deputy Collector is sanctioned.

at His Excellency the Governor-General in Council will be pleased to reconsider the decision embodied in the report from the Collector of Kurnool dated 27th May 1875, Nos. 307-308, from which it would be seen that the special duties of the second Deputy Collector necessitate his retention beyond the term, 31st December 1875, already sanctioned by the Government of India.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) L. A. CAMPBELL,
Under-Secretary to Government.
