Proceedings of the Madras Government, Public Department,
15th July 1875.

Travelling Allowance.

No. 49. Proceedings of Government, 15th July 1875, No. 899.

It has been brought to the notice of Government that Rule 6 of the Travelling Allowances Rules passed in G.O., dated the 28th August 1874, No. 957, does not, as contemplated in the first clause of the order, cover the "actual cost" of the expenses incurred by officers accompanying the Government to the Nilgiris.

2. Rule 6, slightly modified, was taken from the Rules embodied in the Resolution of the Government of India, dated 16th May 1870, No. 478, as there was not at the time sufficient information before Government to enable them to determine precisely what proportion of the Railway expenses between Madras and Metapolliem would cover the expenses between Metapolliem and Ootacamund.

3. The requisite information having now been obtained, the Governor in Council directs that the following corrections be made in Rule 6, *viz.*:—

For "a sum equal to one-fourth," *read* "a sum equal to one-third;"

For "less than Rupees 25," *read* "less than Rupees 50;" and

For "maximum sum of Rupees 25," *read* "maximum sum of Rupees 50," the charge being duly supported by vouchers.
