Accounts—Treasury.

No. 120. Read the following Proceedings of the Madras Government in the Revenue Department, dated 6th July 1875, No. 1015:—

Read the following Proceedings of the Board of Revenue, dated 18th June 1875, No. 1,675:—

Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 11th May 1875, No. 104, (through the Board of Revenue):—

WITH reference to G. O., Financial Department, No. 798, dated 9th April 1875, I have the honor to submit a bag made of net, just received from the Accountant-General, North-West Provinces, Allahabad, and to state that it appears to me in all respects admirable. The bag has been filled and found to contain Rupees 2,000.

ENCLOSURE No. 1.—Net Bag.

THE sample Treasury bag used in the North-Western Provinces, now received from the Accountant-General, will be submitted to Government with reference to paragraph 2 of their Order, dated 9th April 1875, No. 798.

2. The Board consider that the bags of the kind might with advantage be introduced to the district treasuries of this Presidency. They are not in a position to state what the additional cost to the State would be, but it will probably be three times that now incurred in the purchase of ordinary bags. The bags will, however, last much longer than gunny bags.

2. The cost will be met from savings under 15, Administration, Imperial Revenues.

3. The Accountant-General will arrange for procuring the bags required, and he will ascertain and report what the cost per bag delivered at Madras is likely to be.
