Proceedings of the Madras Government, Revenue Department,
16th November 1875.

No. 210. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to A. MACGREGOR, Esq., Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 22nd September 1875, No. 562:—

WITH reference to G. O., dated 17th September 1875, No. 1,371, I have the honor to suggest that His Excellency the Governor in Council may be pleased to add the name of T. Mahomed Ally Sahib, Acting Assistant Conservator of Forests in Salem, to the list of members of the Committee nominated for the preparation of a draft Forest Bill.

2. Mahomed Ally Sahib has risen in the department, which he entered in January 1863, through the various subordinate grades, and will be one of the Sub-Assistant Conservators under the revision scheme. Successive forest officers and Collectors under whom he has served have testified to the able and conscientious manner in which he has performed his duties; and his thorough knowledge of the work required, of the difficulties experienced, and of native public opinion on the subject, render him peculiarly eligible to sit as a representative of the Forest Department and the Mahomedan community who are not represented in the Committee as at present nominated. Mahomed Ally Sahib reads, writes, and speaks English fluently, and his nomination will be very popular with the "*forest ryots*" or hill-tribes of Salem who have the greatest confidence in him.

3. I shall probably be absent from the Presidency during the greater portion of the sitting of the Committee, and Mr. Peet, although conversant with the history and progress of forest legislation in Europe, is comparatively new to this country, and has only served in the Wynaad. It appears, therefore, very desirable to have another forest officer on the Committee to state what is wanted, and I feel sure that no better nomination can be made than the one I now propose.

4. The President (the Hon. D. Arbuthnott) knows Mahomed Ally Sahib, and will, I feel sure, be glad to have him as a member of the Committee, and Mr. Longley will, I have no doubt, be able and willing to arrange for his absence from the district when required.

5. For the above reasons I venture strongly to recommend the nomination for the early consideration of Government.

No. 211. ORDER THEREON, 16th November 1875, No. 1,652.

Forests, No. 7.

HIS EXCELLENCY the Governor in Council considers that the preferable course will be for the Committee to examine Mahomed Ally Sahib, and thus obtain the benefit of his experience.
