*Proceedings of the Madras Government, Revenue Department,
19th November 1875.*

No. 226. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 12th November 1875, No. 3,345/116:—

I HAVE the honor to acknowledge the receipt of G. O., No. 1,608, of the 9th instant, communicating, for any explanation I may have to offer, a despatch from the Right Honorable the Secretary of State for India pointing out an error in the estimated price of the Lithographic Presses indented for the Revenue Survey Department.

2. In reply, I beg to represent that, on the date* of the submission of the Indent for 1875-76, I was not aware that the actual cost of each of the two Lithographic

Presses supplied on Indent, dated 20th January 1874, was £57-4-4. The invoice of these Presses and other stores received per *Ella Nocol*, dated 7th May 1875, was only delivered at my office late in July last, or four months after the submission of the Indent.

3. The price at £32 each given in the Indent under question was, in the absence of correct information, only an estimate founded on the enclosed invoice from Messrs. Grindlay and Co., who supplied to this department a Lithographic Press, 30 by 45, in 1860.

No. 227. ORDER THEREON, 19th November 1875, No. 1,660.

Miscellaneous.

ORDERED to be forwarded to the Secretary of State with reference to his Financial Despatch of 23rd September 1875, No. 113.
