Read again G. O., 20th September 1875, No. 1,380.

No. 259. Read also the following letter from Major WOULFE HAY, Acting Resident in Travancore and Cochin, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Trevandrum, 5th October 1875, No. 129 :—

ADVERTING to G. O., No. 1,380, dated 20th ultimo, I have the honor to explain that the usual course has not been followed, in consequence of new arrangements having been introduced for the importation of salt into Travancore from 1st October 1874, and to Government not having as yet finally sanctioned the compensation to be paid for losses thereby sustained by the Sirkar. According to the old arrangements sanction was accorded in G. O., No. 677, dated 20th March 1866, for payment of wastage on salt imported up to 10 per cent., and it was at this rate that the statement, which includes the wastage from 1st April to 30th September 1874, recorded in G. O. under acknowledgment, has been prepared from the usual return sent by the Dewan.

2. It will be seen from G. O., No. 260A, dated 17th February 1875, that Government have only sanctioned the refund of duty paid at Bombay, but the proposal to compensate other losses also involved by the new arrangements awaits the sanction of the Government of India, as G. O., No. 1,081, dated 19th July 1875, would indicate.

3. Under these circumstances, the account could not be prepared for the whole year; hence, the statement up to 30th September 1874 was submitted for the sanction of Government.
