*Proceedings of the Madras Government, Revenue Department,
24th November 1875.*

No. 275. Read the following Proceedings of the Board of Revenue, dated 1st November 1875, Miscellaneous No. 9,832:—

Read Proceedings of the Madras Government, Revenue Department, dated 8th October 1875, No. 2,097.

ABSTRACT.—Requesting the Board of Revenue to report the description of the expected Inam which it is proposed to incorporate with the Government land in Bellary District, and that the disposal of the escheat may be considered with reference to the recent order on the subject.

THE Board observe that the Collector states that the Inam was enfranchised, and must therefore have been either personal or for service no longer required.

2. On referring to the registers, the Board find that it was a personal grant, made in consideration of the grantee having erected a fort. The Order of Government quoted has therefore no application.

In this case
the Coll^r asks for same
information to resume what
from the Board's sub:
sequent Proceedings
appears to be an ex:
franchised personal
inam.

The Coll^r states
that

I am no guessing
I know that the Inam
tenure having lapsed
I want to bring the
Govt. shall be instructed
to bring the land
under full assess:
tment to treat as
ordinary Ryotwari

that the last holder has
died "intestate," by which,
as the subsequent part of
his Letter shows, he means
evidently "heirless." The
case is in fact one of
escheat to Govt from
a total lapse of heirs,
& the property would
escheat to Govt equally
as well, if it were any-
thing else than inam-
land.

3. This being the case,
it does not appear why
the

improvement here that
a valuable property
such right to appra-
ise from a sale
of the landed estate
but it is a petty
holding & the deceased
died 9 years
ago. So this is
reason to
suppose that
such assets exist.
I certainly do not
believe in such a
case that the
taxpayers
of occupancy
is finally as during
the 9 years since

perpetual claims
have doubtless
grown up by
reason of long
tenancy. [S]

The full assessors
must be charged
without disturbance
of the occupant
here obtained
the new Ryotwar
Patta of some
occupants name
being a personal
name we cannot
speak of speaking
about the assessors

the Govt should restrict
themselves to resumption of
the tax free tenure. Ordinarily
the right of occupancy and
the right to the inam tenure
are vested in one and the
same individual, and if
such is the case in this
instance, there will be
nobody to assume the
right of occupancy; for the
only one individual who
sued for the property as
a relation of the deceased
has failed to establish
his title as such in the
Civil Court. It is obviously
not intended that ryot-
war proprietors should
be excluded from the
operation of the law
of

of such a nature.

4. It is suggested, that an inquiry be ordered to be made on this point; the right of occupancy on ryotwari Pottah, if such is not vested in another individual, might, it is suggested, be sold by public sale.

& Charitable
Object but I am not
at all of the Coll:
are not averse to
this course. M

At the present
case the amount
would be small
but there is a
principle involved
it seems necessary
to assert it as
in large cases
considerable sums
may be involved.
