*Proceedings of the Madras Government, Revenue Department,
26th November 1875.*

No. 304. Read the following endorsement of the Secretary to Government, Public Works Department, dated Fort St. George, 15th November 1875, No. 266 :—

Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated 5th November 1875, No. 3,169.

With reference to paragraph 2 of G.O. of the 28th July 1875, No. 2,190, I have the honor to state that I have furnished the Collector with all such information as he requires in the suit therein referred to, and will report again as soon as I am aware if this suit can be withdrawn; but as the Tahsildar of Meylore evidently acted on the report of the Overseer of that taluq in carrying out a most objectionable and irregular work, I am obliged to submit the matter for the orders and disposal of the Government for such notice as they may be pleased to take of the Tahsildar's conduct, who, as a Magistrate holding a much higher position in the Government service than an Overseer, should at least be called upon to afford some explanations.

TRANSFERRED to the Revenue Department with reference to Order in that department, No. 1,452, dated 2nd October 1875.
