No. 574

From *Mr. P. Robertson Esq. M. R. A. C.*

Sup^{ts} Government Farms.

To *J. Grose Esq.*
Secretary, Board of Revenue.

SIR,

I have the honor to request instructions regarding an objection made by the Accountant General to the payment of my monthly horse allowance during my recent absence on privilege leave. The objection, a copy of which I enclose, is made only against the payment of horse allowance during the first half of my leave, but I presume that it will apply to the whole period of my absence.

I have nothing to urge why

W. E.

in the matter of horse allowance, I should
be treated in a way different from
other officers if the rule is, as stated
by the Accountant General; but I
venture to point out that so
rule must press heavily on an officer
who, in taking privilege leave, must
necessarily be absent only for such
a short period, that he cannot
afford to sell his horses and replace
them by the purchase of others on
his return; while if they must
be sent to a Livery Stable during
his absence, he will incur charges
in excess of the amount his horse
allowance, if paid, would amount
to.

The Accountant General.

It is hard to deny horse
allowance to officers on privilege leave,
especially when it is not drawn by an
officer incumbent, and the Board
think that the rule applicable to
the Assistant in the Geological
Survey of India should be extended
to the Superintendent of Government
Jams and all officers entitled
to draw horse allowance.
