*Proceedings of the Madras Government, Revenue Department,

No. 310. Read the following despatch from the Right Honorable the Secretary of State for India:—

Revenue,
No. 30.

INDIA OFFICE, LONDON,
7th October 1875.

SIR,—The Despatch of your Excellency in Council, dated 19th July, No. 9 of 1875, relative to the assignments of 75 acres of waste land in the village of Mulumudi in Nellore to a ryot for cultivation, has been considered by me in Council.

2. It having been laid down in my despatch of the 27th of May, No. 15 of 1875, in accordance with the opinion of your Excellency's predecessor in Council, that the reserve of waste land in a village for grazing purposes should not be larger than 50 per cent. in proportion to the cultivated area, and it being now explained that the grazing land in the village of Mulumudi amounts to 992 acres, while the whole area of agricultural holdings, including the 75 acres under discussion, only amounts to 1,801 acres, it is clear that no reasonable objection can now be offered to the proposed assignment.

3. I therefore approve and sanction the proceedings of your Excellency in Council.

I have, &c.,
