*Proceedings of the Madras Government, Revenue Department,
29th November 1875.*

No. 316. Read the following despatch from the Right Honorable the Secretary of State for India:—

Military,

INDIA OFFICE, LONDON,

No. 69.

21st October 1875.

SIR,—With your letter in the Revenue Department, dated 20th July 1875, No. 4, you forward an application from Captain Campbell Walker, Mad. Staff Corps, Officiating Inspector of Forests, requesting to be allowed to take up the appointment of Conservator of State Forests under the Government of New Zealand.

2. Captain Walker asks to be permitted "to proceed to New Zealand for one year on the return of Lieutenant-Colonel Beddome in February next, retaining a lien on my appointment as Deputy Conservator of Forests of the first class, and counting the time spent in this special duty as service for Military pension, furlough, &c."

3. The application has been forwarded in a somewhat irregular manner.

4. There is no reference to the Government of India or to your Government from the authorities in New Zealand, and, although you state that you have no objection to Captain Walker's services being placed at the disposal of the New Zealand Government, you make no recommendation as to the terms which should be granted to him.

5. The question, moreover, is one involving general principles applicable to the whole service, and, as such, should have been forwarded to me through and with the opinion of the Government of India.

6. As a reference to that Government would now cause delay and probable inconvenience both to the Government of New Zealand and to Captain Walker, I have had the subject under my consideration in Council, and I have decided that that officer may be granted leave of absence for one year for the purpose of proceeding to New Zealand, and that he may be permitted to retain a lien on his appointment during that period.

7. I am unable, however, to sanction the issue to him of any pay from Indian revenues during the time he is employed in New Zealand, or to allow him to reckon that time as service for pension.

I have, &c.,
