No. 320. Read the following Proceedings of the Board of Revenue, dated 13th November 1875, Miscellaneous No. 10,258 :—

Read the following letter from KOTI SUBBA ROW, Deputy Collector of the Kistna District, to H. NEWMAN, Esq., Acting Collector of the Kistna District, dated Narasarowpet, 16th October 1875, No. 314.

With reference to your letter, No. 1,368, dated 7th instant, I have the honor to report that, on the 23rd September, ultimo, at about 4 o'clock P.M., we felt at Vinukonda a shock of earth-quake which lasted for two minutes. It was a thunder-like sound which we heard passing under the ground from south-west to north-east. We heard noise in the roof of the office-building wherein we were at the time, as if some pressure was given to it. We felt as if we were bending down. We clearly observed the punka hanging before us shook continuously for two minutes. Several of the inhabitants gave a similar description of the shock.

2. The Tahsildar of Narasarowpet reported to me that he heard for two minutes at 3 o'clock P.M., and again for a minute at 7 o'clock P.M. on the 23rd ultimo, at Guntipalli in his taluq, a thunder-like sound under the ground. He gave me no further particulars about it.
