Miscellaneous No. 6808

Proceedings of the Board of Revenue

Dated 28 July 1875

Read the following

No 259

From The Collector of Bellary

To The Secretary to the Board of Revenue

Madras.

Sir,

I have to-day received intimation from the Superintending Engineer that the new Taluq Cutcherry at Kennakondah is ready for occupation.

2. This is the Cutcherry which I reported in my letter* No 133 dated the 1st May 1873 as having been commenced without reference to me, and as not being urgently required.

* vide G. O. R. D. No 860 dated 15 August 1873

3. However, now that it is finished, it is my duty to report that the Head Assistant

Assistant Collector who has no Cutcherry at all, draws under the Standing Orders of the Board four Rupees a day all the time he is present at his head quarters for providing accomodation for his office establishment. The Cutcherry to be built for him, is not yet estimated for, and cannot possibly be ready for two or even for three years to come.

4. Meanwhile for the Head Assistant Collector and for the Tahsildar there are two buildings available, one the old Taluq Cutcherry, good and substantial, and the new Taluq Cutcherry built upon the Standard plan. The latter is near the Head Assistant's residence.

5. I submit therefore for the consideration of the Board whether it would not be advisable that the Head Assistant Collector should occupy the new Taluq Cutcherry till his own be completed, the Tahsildar meanwhile continuing in his old quarters.

I have &c.

Bellary Collectorate office - 10th July 1875.

(Sigd) J. W. Master
Collector.

The Board approve the Collector's suggestion which will be submitted for the sanction of Government.
