Proceedings of the Madras Government, Revenue Department,
29th November 1875.

No. 330. Read the following letter from A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Statistics,) to the Secretary to the Government of Madras, Revenue Department, dated Calcutta, 19th November 1875, No. 673 :—

It being considered desirable by the Government of India that their annual volume of Trade Statistics should contain as much information as may be available of the total trade of the principal foreign ports in India in addition to their trade with British India, I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to obtain from the local authorities at Pondicherry any returns of the trade of the French Indian Ports that may be procurable for the year 1874-75, or if these are not available for this period then for the calendar year 1874. These returns are required urgently by this department for incorporation in the Imperial volume for 1874-75 which is in the press.

2. In future years, the returns should be transmitted as early as they can be obtained.

Statistics.

Sir,

It being considered desirable by the Government of India that their annual volume of trade statistics should contain as much information as may be available of the total trade of the principal foreign ports in India in addition to their trade with British India, I am directed to request that with the permission of His Excellency the Governor in Council, you will be good enough to obtain from the local authorities at Pondicherry any returns of the trade of the French Indian ports that may be procurable for the year 1874/75, or if these are not available for this period then for the calendar year 1874. These returns are required urgently by this Department for incorporation in the Imperial volume for 1874/75, which is in the press.

In future years the petitions should be transmitted as early as they can be obtained.

I have the honor to be,
Sir,
Your obedient Servant,

A O Hume
