*Proceedings of the Madras Government, Revenue Department,
1st December 1875.*

No. 5. Read the following Proceedings of the Board of Revenue, dated 27th October 1875, Miscellaneous No. 9,702:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 24th September 1875, No. 406.

THANKS to the courtesy of the Chef de Service des Ponts et Chaussées at Pondicherry, I have been able to secure some plans of that town in 1688, 1741, 1748, and 1789, and also one of Madras in 1746 as it was when attacked by LaBourdonnaix, and I now enclose the first and last.

2. I should much like to have the oldest plan of Pondicherry lithographed for insertion in the Manual of this district if the Board have no objection on the score of expense.

3. The plan of Madras has, of course, nothing to do with the Manual of South Arcot, but it is nevertheless historically interesting and probably very accurate; and I therefore send it to the Board with a request that they will forward it to Government for their inspection and acceptance.

4. Should Government order it to be lithographed or photozincographed, I should be glad to receive a copy.

SUBMITTED to Government.

2. The Board have ascertained that 300 copies of the plan of Pondicherry can be supplied at a cost of Rs. 150, and that the Government of Pondicherry is accordingly requested for the outlay.

(A true Copy and Extract.)

(Signed) C. A. GALTON,
Acting Sub-Secretary.
