ABSTRACT.—Communicating letter from Government of India, issuing instructions regarding the submission of returns relating to the registration of Merchant Shipping forwarded from Madras to the Registrar of Shipping in London.

THE report called for by the Government of India is contained in Board's Proceedings, dated 18th September 1875, No. 2,611. It has been explained in paragraphs 5 and 6 of these Proceedings that returns of vessels built and registered were not in all cases sent from the ports of registry direct to the Registrar General of Shipping in London, but that they were sent by the Master Attendant, who will now be requested to forward to this office copies of the returns sent by him to the Registrar General in London during the official year 1874-75, and during the past quarters of the current official year.

2. As the Master Attendant has the supervision of District Officers in the matter of the registry of vessels, the Board request that he may be directed to arrange in future for the submission of the returns to the Registrar General in London direct from the ports, copies of the same being sent to this office for submission to the Government of India.
