Proceedings of the Madras Government, Revenue Department,
1st December 1875.

1726/1

No. 15. Read the following Endorsement of the Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Forests), dated 18th November 1875, No. 1,209:—

From Her Majesty's Secretary of State for India, (Revenue—Forests,) to the Government of India, dated India Office, London, 23rd September 1875, No. 20.

I HAVE received and considered in Council your Excellency's despatch, dated 29th April (No. 10) 1875, forwarding a copy of your Circular on the subject of registering the rights and privileges of third parties in demarcated and other forests.

2. These Circulars fully meet the s[illegible]tions contained in paragraph 3 of my despatch, dated 8th October, No. 11 of 1[illegible]

The necessary investigations, as re[illegible]osts already demarcated, will be a work of time, and will require much care, but they are indispensable for the efficient working of a sound system of forest conservancy. The detailed record of all rights and privileges in forests which are still unsurveyed will, of course, be proceeded with when the other operations connected with demarcation are undertaken.

No. 20 (Revenue—Forests), dated India Office, London, the 23rd September 1875.

From—*Her Majesty's Secretary of State for India,*

To—*The Government of India.*

I HAVE received and considered in Council Your Excellency's despatch dated 29th April (No. 10) 1875, forwarding a copy of your circular on the subject of registering the rights and privileges of third parties in demarcated and other forests.

2. These circulars fully meet the suggestions contained in paragraph 3 of my despatch dated 8th October, No. 11 of 1874.

The necessary investigations, as regards forests already demarcated, will be a work of time and will require much care, but they are indispensable for the efficient working of a sound system of forest conservancy. The detailed record of all rights and privileges in forests which are still unsurveyed, will of course be proceeded with when the other operations connected with demarcation are undertaken.
