No. 186. Read the following Proceedings of the Board of Revenue, dated 24th June 1875, No. 1747:—

Read the following letter from Major R. H. PHELIPS, for Officiating Superintendent of Army Clothing, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 27th May 1875, No. 613.

Adverting to paragraph 2 of Proceedings of Government, Judicial Department, No. 15, dated 4th January 1875, I have the honor to intimate that constant applications are being made to this department for peons' belts which cannot be satisfactorily replied to, and I therefore request to be informed what arrangements have been made by the Board regarding the distinctive colors to be adopted by the several departments under Government and the quality of cloth for the several grades.

Replies not having as yet been received from all Heads of Departments in regard to the distinctive colors to be adopted for belts, no arrangements have been made by the Board.

2. As regards the quality of cloth to be used, the Government having, in their Order of the 4th January 1875, No. 15, cancelled G.O., dated 23rd July 1874, No. 1351, with reference to which the Board were called upon to select the descriptions of cloth best adapted for the purpose from the samples furnished by the Superintendent of Army Clothing (G.O., dated 9th September 1874, No. 1672), it does not appear that the decision of the Board on this point is called for now. It will rest with the Heads of Departments to select the quality of cloth required when distinctive colors have been fixed upon. As regards the Revenue Department, cloth for peons' belts will be procured in the local market as hitherto.

3. With reference to the other points adverted to in the Superintendent's letter recorded in G.O., dated 9th September 1874, a copy of the Board's Circular Order, No. IV. of 1875, prescribing the dimensions of belts and the period of renewal as regards peons in the Revenue Department, will be furnished for the information of the Superintendent of Army Clothing.
