THE BOARD OF REVENUE.

Oct. 11 1875.

No. 3,072.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 9th November 1875.  
 Read the following letter from C. RUNDALL, Esq., Acting Director of Revenue Settlement, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Coimbatore, 15th October 1875, No. 2,158-56:—

REFERRING to G. O., No. 244, dated 9th February 1864, I have the honor to forward, for transmission to Government, a list, with map attached, specifying a village which it is proposed to transfer from the Sidhout to the Cuddapah Taluq. The proposal emanated with the Revenue Officers of the district, is concurred in by the Collector, and the Superintendent of Revenue Survey is prepared to make the necessary corrections to the Survey records.

2. The village seemingly has always formed part of those now comprising the Sidhout Taluq; and being uninhabited, it was amalgamated with Lingampalli, an adjacent village of the same taluq.

3. As the land of the village is, however, held and cultivated mainly by ryots of Gurrampad of the Cuddapah Taluq, which also adjoins, the Divisional Officer proposed that it should be merged therewith, as it will facilitate the revenue collections, &c., and prove more convenient to the cultivators. Under these circumstances, I trust the transfer may meet with the approval of the Board of Revenue.

4. The change, being from a non-settled to a settled taluq, will necessitate the settlement rates of Gurrampad being applied to the area of the uninhabited village. As the adoption of this course will only involve an increase of Rupees 3-14-0 to the dry and Rupees 15-1-0 to the existing wet assessment, or altogether Rupees 18-15-0, no exception thereto can well be taken. The dry rates in fact will thus be identical with those the cultivating ryots have already been assessed with for their ordinary or home-lands. No great difference will moreover occur as regards the average rates by settlement for Gundlapalli and the adjacent villages.

ENCLOSURE No. 1.—List of lands to be transferred.

ENCLOSURE No. 2.—Plan.

THE Board approve the proposal which will be submitted for the sanction of Government with reference to the Government Order quoted, and with request that the necessary notification may be issued.
