*Proceedings of the Madras Government, Revenue Department,
3rd December 1875.*

No. 58. Read the following letter from C. RUNDALL, Esq., Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort St. George, dated Tinnevely, 16th November 1875, No. 2,417/56:—

REFERRING to paragraphs 4, 6, and 13 of my letter of the 25th ultimo, No. 2,255/52, and the Accountant-General's memorandum (copy enclosed), No. 7,368, dated 19th idem, objecting to pass the bills for any items the amount of which may be in excess of the Budget allotments, I have the honor to request the sanction of Government for the re-adjustment of the allotments under the different heads, as shown in the Regular Estimate forwarded to Government with my letter under reference. This re-adjustment occasions an increase of Rs. 10,171 as already explained; but it is unavoidable, and needs to be met from the general savings as provided for in G.O., Financial Department, No. 304, dated 14th July 1870.

2. When it is remembered that a sum of Rs. 34,390 was cut off from the Budget-estimate of 1875 and 1876, the excess now requiring to be sanctioned may be deemed moderate.

	RS.
By Madras Government	10,390
„ India Government	24,000
Total ...	34,390

3. For ready reference I subjoin a statement showing only the heads under which any increase is necessary to enable the Accountant-General to pass the bills, and would request that early orders may be passed, as otherwise serious inconvenience will be felt by the Audit Department withholding payment for work performed under the sanction of Government:—

No.	Items.	Budget Allotment.	Regular Estimate.	Difference.

I	Saderward and Contingent charges	900	1,517	617

	Total ...	16,220	36,279	20,059

4. It will be seen that almost all the increase falls under the head of Printing Charges, in consequence of the arrangements made to expedite the simultaneous printing of the settlement registers of the several districts recently settled.
