Tumkum Bungalow, Madura.

No. 13. Read the following Proceedings of the Board of Revenue, dated 29th June 1875, No. 1785 :—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Shembaganur, 4th June 1875, No. 236 :—

With reference to paragraph 2 of G.O., dated the 25th February 1875, No. 457, Judicial Department, I have the honor to submit a plan and estimate for repairing the Tumkum Bungalow at Madura at a cost of Rupees 5,760, and I request that it may be sanctioned with the exception of item No. 5, constructing a new store-room at a cost of Rupees 1,713. This new store-room means servants' godowns. Their construction may be undertaken after the main building is repaired, and they should not, in my opinion, be added to the main building as shown in the plan, but should be built separately and at some little distance.

2. The sum at the credit of the bungalow is Rupees 3,938-6-9, and I request that this may be placed at the disposal of the Department of Public Works with instructions to push on the work as rapidly as possible, for I can let the house as soon as it is made fit for any one to live in. As the present state of disrepair has been caused chiefly by the action of Government, I trust that Government will advance what may be necessary to restore the building to a habitable state because all delay is a clear loss of monthly rent. The Board will observe that we are very far indeed from having a surplus for scholarships at present; but, considering the great demand for houses at Madura, the Tumkum is not likely to remain unoccupied if kept in proper repair. The stables, cook-rooms, &c., are fast going to ruin, and there is no accommodation for servants, so that at least Rupees 2,000 must be sanctioned hereafter in place of item No. 5 now postponed.

Submitted for the sanction of Government with reference to G.O., dated the 25th February 1875, No. 457, Judicial Department.

2. The Board observe that Rupees 108-9-3 will be required to complete repairs exclusive of Rupees 1,713, which will be required hereafter to build servants' rooms, and it is suggested that this sum should be advanced by Government if required to finish the work.

Acting Secretary.

No. 14. ORDER THEREON, 5th August 1875, No. 259.

The estimate for repairing the Tumkum Bungalow at Madura amounts to Rupees 5,760; deducting therefrom Rupees 1,713, the cost for erecting servants' quarters, and adding Rupees 109, required for the completion of repairs, the amount for which sanction is needed at present is Rupees 4,156.

2. To meet this there are available at the credit of the bungalow Rupees 3,938-6-9, and the balance, Rupees 217-9-3, has to be provided.

3. The Governor in Council approves and sanctions the Collector's proposals, and, as the accumulated funds can be applied to the building in the interest of the Trust, directs that the amount at credit be transferred to the Public Works Department in view to the repairs being taken in hand with as little further delay as practicable.

*Proceedings of the Madras Government, Educational Department,
5th August 1875.*

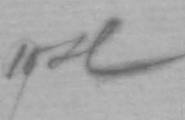

4. The Collector of Madura will report whether the contribution of Rupees 2,000 by Government to the Trust Fund, as per paragraph 4 of G.O., Revenue Department, dated the 13th February 1871, No. 289, has been credited to it. If it has not been credited, orders will be issued for its payment from the Budget allotment for Educational Department for the current year.
