After enquiring I.O.

opinion - I have no
objection to placing
the work in any
competent person's

but I am a little doubtful
as to placing it
in hands of private

Subsequent to the purpose.
We know nothing of
Mr. Hamilton's qualifications.
He certainly could not
be satisfactorily entrusted
with the purely technical
official narrative.
All the statistics part
he probably does as
well as he can write.
But documentation
is available?

Miscellaneous No 6871

Proceedings of the Board of Revenue
dated 30th July 1895.

Read the following

From No 913.

H. Newman Esq
stating Collection of
Kiche District.

To H. E. Stokes Esq
City Secretary to the
Board of Revenue. Madras.

Sir

In my letter of the
16th ultimo No 797, I explained
that I had experienced con-
siderable difficulty in finding
leisure which could be applied
to the completion of the District
Manual. Since that time the

Reverend J. Harrison of
the Church Mission Society,
who has resided for several
years here and at Bagwada,
has told me that he would
be glad to be permitted to
undertake the work. As I
think that he would probably
be able to get it completed
in much less time than I
can hope to do myself, I think
it would be well to resign
the task into his hands. Under
the circumstances I shall be
glad if you would ascertain from
Government whether I may be

14/7/58
permitted to make that arrange-
ment and to allow Mr. Harri-
son to have access to the old
correspondence books and other
records in the office for the
purpose. I shall be happy
to place at his disposal the
information I have collected and

to aid him with the necessary
official information required
for the Gazetteer.
