*Proceedings of the Madras Government, Revenue Department,
8th December 1875.*

No. 105. Read the following Proceedings of the Board of Revenue, dated 25th October 1875, No. 2,953 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th September 1875, No. 2,598 :—

With reference to paragraph 7 of the Board's Proceedings, dated 21st July 1875, No. 2,034, I have the honor to submit the following report regarding the additional establishment required in the wood department.

2. The cost of the wood establishment, as per budget of 1874-75, is Rs. 581 per month as follows :—

	Monthly Pay.	Travelling Allowance per Month.
	RS.	RS.
1 Wood Overseer	80	20
1 Wood Overseer's Writer	15	5
1 Do. Peon	6	...
3 Wood Maistries on Rupees 20 each and travelling allowance at Rupees 10 each	60	30
1 Inspector of Casuarina Plantations	20	10
2 Assistant Inspectors for Veligonda Hills, at Rupees 15 each	30	...
30 Woodmen, at Rupees 5 each	150	...
9 Wood Watchers, at Rupees 15 each	135	...
4 Tannadars, at Rupees 5 each	20	...
Total ...	516	65

3. In the Supplemental Budget for 1874-75 sanctioned by the Board in their Proceedings, dated 27th March 1875, Miscellaneous No. 2,501, the following addition of Rupees 75 was made, raising the monthly cost to Rupees 656 :—

	Salary.	Allowance.
	RS.	RS.
1 Assistant Wood Overseer	45	15
1 Second Clerk to Wood Overseer	10	5
Total ...	55	20

4. The modifications and additions proposed by me in the budget for 1875-76 are as follows :—

(1.) Instead of one Assistant Wood Overseer on Rupees 45 as salary and Rupees 15 travelling allowance as provided for in the supplemental budget referred to, I proposed to have two on Rupees 50 each as pay and Rupees 20 each as travelling allowance. The Assistant Wood Overseer already employed on Rupees 45 is working in the sub-division, where there is at present, and will be for perhaps several years, sufficient work for such an officer. The other Assistant Wood Overseer I intended specially for the Sriharikota Jungles.

(2.) There is already a temporary Assistant Overseer on Rupees 50 superintending the cutting operations under the "Amani" system. This item is not separately exhibited in the budget, but is included under the head of cutting charges. I propose to employ an Assistant Overseer permanently at Sriharikota

*Proceedings of the Madras Government, Revenue Department,
8th December 1875.*

to superintend the cutting operations and attend to all other work connected with the jungle.

(3.) The additional provision made by me in the budget for 1875-76 involves, therefore, an addition of only Rupees 10 to the present cost of Rupees 656 as shown in paragraph 3, and the transfer to the head of regular establishment of the expenditure already incurred on account of the Assistant Overseer in charge of the cutting operations with an extra allowance of Rupees 20, and an increase of Rupees 50 to the Wood Overseer.

5. There is another temporary Assistant Overseer employed at Madras on Rupees 50 in charge of the wood depôt there. This item has hitherto been included under the charges for cutting, &c. As his work is of a sedentary character, no extra allowance is needed. In order to give this office the benefit of the Government Order, dated 9th February 1875, No. 276, to qualify for pension, I think it is desirable to put him also on the regular establishment.

6. The wood department is under the immediate supervision of the Wood Overseer Somasundaram Mudali, who is now paid Rupees 80 *plus* Rupees 20 as horse allowance, as already shown. Considering the onerous character of his duties, the vast range over which his inspection extends, his exemplary conduct, and the large measure of success that has attended his zealous and energetic discharge of his duties, I propose to raise his pay to Rupees 120 and his allowance to Rupees 30. I do not think this is too much for the tried head of a large and flourishing department.

7. The "Amani" operations have considerably increased the work thrown on my account department. The vouchers and permits require to be examined by an efficient accountant. The regular establishment has already as much work as it can perform. I would, therefore, propose to entertain an accountant on Rupees 20 from the Jungle Conservancy Fund.

8. The total monthly cost would thus be raised to Rupees 846, and I request that early sanction may be accorded to the modifications and additions above detailed.

The sanction of Government is requested to the following additional charges under Jungle Conservancy Establishment in the Nellore District:—

	Pay.	Travelling Allowance.
	RS.	RS.
Three Assistant Wood Overseers on Rs. 50 each...	150	40*
Second Clerk to Wood Overseer	10	5
Accountant	20	..
Increase to Wood Overseer (from Rupees 80 to Rupees 120)	40	10
Total	220	55

* For two only at Rupees 20.

2. One Assistant Wood Overseer was employed in the sub-division last year, and two were entertained in connection with the Sriharicotta jungles and paid from working charges. These it is proposed now to make permanent. The increase

in work caused by the Amani system of managing the Sriharicotta jungles and utilizing the increased receipts thus obtained justify the Collector's proposals.
