Sir,

I have the honor to inform you that from a report received from the Superintendent of Police, it appears that a death from Cholera occurred on the 4th Instant at Thollamadugu in the, Keelkumtha Taluk, on the borders of the Tadprathi Taluk, Bellary District. I have not received any report from the Tahsildar on the subject, although Circular instructions were issued to him on receipt of Official Memo N^o 1593 dated 30th July 1875. I have therefore asked the Tahsildar to let me know whether the death really occurred from cholera, and I shall report the result on receipt of his reply. I have also issued cholera pills to the Taluk with the necessary instructions.

I have the honor to be
