Proceedings of the Madras Government, Revenue Department,
11th December 1875.

No. 152. Read the following Proceedings of the Board of Revenue, dated 22nd November 1875, No. 3,178 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 19th October 1875, No. 555.

With reference to the Proceedings of the Board of Revenue, dated 6th ultimo, Miscellaneous No. 7,111, I have the honor to report that on a further reference made to the Tahsildar of Wandewash, I have ascertained that if the ayacut under the Iyapakam tank, cawnies 11-6-8, assessed at Rupees 65-11-9, be transferred to dry it will yield a revenue of Rupees 25-10-8. Adding to this, the assessment of the tank bed lands (cawnies 21-15-0) which are now unassessed, and which may be assessed at 1 Rupee per cawny, the total beriz will amount to Rupees 47-9-8. The loss then to Government, or the difference between the present and the future revenue, will be about Rupees 18 or 1/66th part of the estimated amount of Rupees 1,200. This is very trifling when compared with the large outlay that will have to be laid out in the repair of the tank. I therefore recommend that it may be abandoned, and the lands in its bed sold by public auction to the best advantage, as in the case of the Virupatchipuram tank bed lands in the Vellore Taluq, the sale whereof was sanctioned by the Board in their Proceedings, dated 8th February 1875, No. 291.

Submitted to Government with reference to G. O., 22nd July 1875, Miscellaneous No. 1,534.

2. The Board concur in the recommendation made by the Collector.

Acting Secretary.
