No. 136.

No. 1,812.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF REVENUE,

AGRICULTURE, AND COMMERCE.

Miscellaneous.

SIR,—I am directed to submit, for the confirmation of the Government of India, the accompanying order of this

Government sanctioning a special allowance to Mr. Gompertz, Assistant Superintendent, Revenue Survey, while in charge of the Office of Deputy Superintendent.

2. With a view to meet the wishes of the Government of India, who have so frequently urged the completion of the topographical portion of the survey in this Presidency so as to render the materials applicable for geographical purposes, it was resolved to bring together from the ordinary parties the men best qualified for topographical work, and to place them under the charge of a Deputy Superintendent. The officer selected was Colonel Hessey, whose regular duties were then entrusted to Mr. Gompertz, the Senior Assistant in the department.

3. Colonel Hessey conducted this special work until interrupted by the monsoon, and it was then determined to depute him to make himself acquainted with the working of the cadastral survey in the North-West Provinces.

Advantage was also subsequently taken of this opportunity to direct Colonel Hessey to be present at the Forest Conference at Simla, in accordance with the desire of the Government of India that an officer of the survey in this Presidency might be deputed to attend it.

4. In meeting the views of the Government of India it thus became necessary to provide for the charge of the office of the Deputy Superintendent in his extended absence, and, as the most economical arrangement practicable, it was resolved to place it again under the First Assistant Superintendent with a special allowance of Rs. 100 per mensem.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) D. F. CARMICHAEL,
Secretary to Government.

Acct. General

Requesting to submit G.O. 1187 of 7th Aug 1875, departing to pay to the St. to Princes, to the Govt. India for confirmation

H. S. 23rd Oct 1875 No 355

The letter submitted in this case must be carefully noted. It will be the duty of the St. to Princes to see that the G.O. is carried out in the necessary manner completing the photographic for two copies being as a guide for the future applicable to the purpose of the law & generally.

The Accountant General reports that G.O. 7th August 1875 No 1187 departing to the St. to Princes, may be submitted for the confirmation of the Govt. of India, as it entails extra expense by the cost of a month allowed to the Government. His statement

of the case is not quite correct, as the order permitting should have been to go to the M. W. Province did not cause the extra expenses, but the order sanctioning that Officer's deputations to special of provinces with.

The provisional motion there recorded to the extra expense was, it is true, not acted on, but the expenditure of allowing him to complete a special allowance of 100 lbs a month was adopted apparently to avoid the necessity of expense there might be some questions
