*Proceedings of the Madras Government, Revenue Department,
16th December 1875.*

No. 189. Read the following Proceedings of the Board of Revenue, dated 25th November 1875, No. 3,220.

Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 16th November 1875, No. 5,461:—

I HAVE the honor to submit, for the consideration of the Board of Revenue,

* No. 161, dated 30th October 1875.

a letter* from the Superintendent of Police, Vizagapatam, requesting that a

2nd Grade Head Constable (instead of 3rd) may be allowed for the salt station at Bimlipatam. The Superintendent points out that he has five salt stations which require a 2nd Grade Head Constable in charge, whereas only four Head Constables

of that grade are allowed. The present and proposed strength of Head Constables are shown in the margin. The Superintendent of Police does not state if the Collector approves, but as the proposed increase of cost is only Rs. 60

per annum I have not thought it necessary to make further reference on the point.

Enclosure No. 1.

From Major W. M. FRAZER, Superintendent of Police, to the Assistant Inspector-General of Police, dated Vizagapatam, 30th October 1875, No. 161.

In reply to your letter, No. 5,054, of the 19th instant, I have the honor to report that in my letter, No. 151, of the 5th instant, I thought I fully explained how we had five 2nd Grade Head Constables at our salt stations; sanction had been obtained for them, but as the budget only provides four 2nd Grade Head Constables and two 3rd Grade Head Constables, I have the honor to request that sanction of Government may be obtained for five 2nd Grades, or in other words for another 2nd Grade Head instead of a 3rd.

2. The five Kotars as per margin are all very important. There is not one of them but should have a 2nd Grade Head Constable in charge, a 3rd Grade Head Constable is not, in my opinion, a sufficiently responsible officer for such a post. If permission be sanctioned I can give a 2nd Grade from the district strength and take the 3rd Grade from the salt.
