I AM directed to acknowledge the receipt of your letter, No. 1,509, dated the 15th ultimo, stating, with reference to paragraph 2 of the memorandum referred to in Financial Resolution, No. 2,117, dated the 14th April 1875, that His Excellency the Acting Governor in Council is of opinion that, without additional help, it will not be possible to meet the wishes of the Government of India in the matter of the reduction of the district maps of the Madras Revenue Survey, in view to their utilisation towards the completion of the Atlas of India.

2. In reply, I am directed to state that, in paragraph 2 of the Financial Resolution above referred to, it was said that the Government of India did not adopt any of the views put forward in the memorandum therewith forwarded ; and, in my letter, No. 365, dated the 29th May 1875, the reference in paragraph 2 of that memorandum to the topographical survey of forest and waste lands estimated to cost Rs. 50,000 a-year was explained.

3. I am, also, to draw attention to paragraph 2 of this letter in which the Government of India expressed its readiness to place at the disposal of the Government of Madras the services of a Topographical Survey Party if it could be shown how it was proposed to utilize it.

4. The Honorable the President in Council awaits a reply to the above reference and to the endorsement from this department, No. 342, dated the 15th May last.
