Burial-grounds.

No. 8. Read the following Proceedings of the Board of Revenue, dated 3rd August 1875,
No. 6964 (Miscellaneous):—

Read the following letter from KOTI SUBBA ROW, General Deputy Collector, Kistna District, to H. NEWMAN, Esq., Acting Collector of the Kistna District, dated Dachapalli, 1st July 1875, No. 200:—

I have the honor to state that Mutiyala Rayopureddi and some others, Native Christians of Atmakur, in the Palnad taluq, apply for permission to enclose a piece of ground which they have been using as their burial-ground for the last sixteen years, alleging that it cannot otherwise be kept clean.

2. The said piece consists of 50 cents, assessed at 6 Annas, of D. No. 286 of Acres 6-62 (Government waste) bearing an assessment of Rupees 4-15-0. The Tahsildar states that there is no objection to its being granted for the purpose contemplated, as it lies at a distance of 384 yards from the village.

3. The Native Christian population of the village is about sixty-five, and it is requisite that a separate burial-ground should be assigned for them.

4. Under these circumstances, I beg you will be good enough to obtain sanction to transfer the 50 cents in question to the head "Burial-ground" in the accounts, subdividing it from the number, and remitting the assessment thereon.

No. 967.
