No. 214. Read the following Proceedings of the Board of Revenue, dated 4th December 1875, No. 3,295:—

Read the following letter from Captain C. C. SARGEAUNT, Assistant Superintendent, for Superintendent of Revenue Survey, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chepauk, 18th November 1875, No. 3,408-151.

THE Deputy Superintendent of Revenue Survey, Coimbatore, has brought to my notice that he has ascertained that the statement made by him in Section 13 of the Memorandum printed in Proceedings of the Board of Revenue, No. 2,930, of the 22nd October 1875, that thirty miles of the boundary of Wynaad from Shegobetta tree had been marked out by Dr. Cleghorn, is incorrect.

2. I have the honor to report that Dr. Cleghorn's decision of 1850 had reference only to about twelve miles of the boundary east of Shegobetta as far as Rampur, and that the remaining boundary from Rampur to the Nilgiri trijunction has, as far as it is ascertained, never formed subject of investigation.

SUBMITTED to Government in continuation of Board's Proceedings, dated 22nd October 1875, No. 2,930.

(A true Copy and Extract.)
(Signed) H. E. STOKES,
Acting Secretary.
