Dated 22.12.1875 196.

*Proceedings of the Madras Government, Revenue Department,
22nd December 1875.*

No. 236. Read the following Proceedings of the Board of Revenue, dated 10th December 1875, No. 3,344, Forest No. 238:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Trichendur, 5th November 1875, No. 587.

With reference to paragraph 4 of Mr. Puckle's letter, No. 540, dated 27th October 1874, on which the Board passed no orders because Mr. Bird was shortly after appointed to act for Mr. Boyle as Head Assistant, I have the honor to forward the enclosed application from Mr. Hayne who succeeded Mr. Bird.

2. I recommend it on the ground that the work was begun too early last year, and was in consequence disagreeable and severe, owing to constant rain, and also because on that occasion Mr. Hayne did double duty, viz., this special duty and his own ordinary duty as Deputy Conservator of Forests, the two together were doubtless more than one man ought to have had to do at the same time.

3. The matter has remained so long unnoticed, owing to an oversight in my office. Mr. Comyn endorsed on Mr. Hayne's letter, so far as I can make out his writing, "Bring when the Budget report is sent," showing, in my opinion, that he meant to recommend this application. Mr. Hayne tells me that such was the case. The matter must have been overlooked when the Budget went in.

Enclosure No. 1.

W. C. HAYNE, Esq., Deputy Conservator of Forests, to A. J. STUART, Esq., Acting Collector of Tinnevely, dated Palameottah, 18th May 1875.

HAVING been deputed by the late Collector to represent the British interest in the settlement of the hill boundary line between Tinnevely and the Native State of Travancore without being relieved of my forest duties, I have the honor to state that, under the circumstances, I think I am entitled to extra remuneration.

2. If you are of opinion that I am entitled to a recognition of my services for this additional work, I beg you will represent the matter to Government.

3. I would mention that the Travancore Government thought fit to increase the salary of their representative by 300 Rupees a-month, and to allow batta to his private servants as well as allowing his travelling expenses and carriage of baggage free.

(True Copy.)

(Signed) A. J. STUART,
Acting Collector.

SUBMITTED to Government with reference to Board's Proceedings recorded in G.O., dated 3th January 1875, No. 27.

2. The expense and hardship of travelling in connection with the work are doubtless great, and the Board think that Mr. Hayne should be allowed the difference between his ordinary travelling allowances* and Rupees 10 per diem during the period spent in the hills.

* Rupees 150 a-month.

(True Copies and Extract.)

(Signed) H. E. STOKES,
Acting Secretary.
