*Proceedings of the Madras Government, Revenue Department,
22nd December 1875.*

No. 233. Read the following Proceedings of the Board of Revenue, dated 18th December 1875, Miscellaneous No. 11,111:—

Read the following letter from H. S. THOMAS, Esq., Collector of Tanjore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, Madras, dated Tanjore, 29th November 1875, No. 5,409.

I HAVE the honor to forward, for the orders of the Board of Revenue, copies of letters noted in the margin from Mr. Weld, Demi-official, dated 1st November 1875. in which he states that he cannot write Official letter, „ 18th „ the District Manual at Mayaveram, and requests that, if he is to do that work, he may be allowed to live at Tanjore for from six months to one year (going out occasionally to his division). But I do not think that his division should be thus sacrificed to the preparation of a Manual.

2. If Mr. Weld's proposal is not accepted, do the Board desire that I should look about for some one else to undertake the work; or that failing, do they wish that he should change divisions for a year with the officer in whose charge will be the Tanjore Taluq, provided the Government order such a distribution of the staff as will make such an exchange possible? But I would not be understood to recommend such an exchange. I would rather sacrifice the Manual to the good of the district till we are more strong handed.

Submitted for the orders of Government.

2. The Board do not consider it desirable that the Head Assistant should leave his division for six months or a year in order to enable him to compile the Manual of the district, nor do they recommend any change in the divisional charges. They would prefer that the preparation of the Manual should be entrusted to some one else.

Acting Sub-Secretary.

No. 239. Order in Council, 22nd December 1875, No. 1,825.

Miscellaneous.

As the Government desire to see these District Manuals completed as expeditiously as possible, and as Mr. Weld has for some time had the Tanjore Manual in hand, it is resolved to allow him to reside for six months in Tanjore, another divisional officer taking his place.

(True Extract.)

Secretary to Government.
