Proceedings of the Madras Government, Revenue Department,
31st December 1875.

No. 244. Read the following Proceedings of the Board of Revenue, dated 23rd December 1875, No. 3,421:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 17th December 1875, No. 653.

I have the honor to request that I may be allowed to take with me, when I go on tour, one clerk and one peon (now employed in this department), and that I may be permitted to engage three lascars for employment during my tours, one of them to be permanently employed to keep the tents in order and at the same time make himself generally useful on the Farm when I am not on tour.

2. I cannot do without a clerk when away from head-quarters, as I will have all the general work of my office to conduct—correspondence with the Board, &c., &c.; besides, the clerk that I propose should accompany me will be of great use to me as an interpreter and in aiding me in instituting inquiries, services which will be of all the greater value if he can accompany me over each of the districts I shall visit.

3. Instead of the Collector of the district visited putting a clerk at my service as is suggested in paragraph 3 of the Proceedings of the Board, No. 2,356, dated the 13th of September 1875, I should much prefer to have the assistance of an out-of-door officer familiar with the peculiarities of the agriculture of the district, who could be a simple waste of time and money for me to go on tour in the out-of-the-way districts.

Mr. ROBERTSON may take a clerk and peon with him when he proceeds on tour, and the sanction of Government will be requested for the entertainment of one lascar, who will be retained permanently to look after the tents. The Board consider that one lascar will suffice.

2. The Collector of Coimbatore will be requested to depute an officer possessing suitable local experience and knowledge to accompany Mr. Robertson, and assist him in his communications with the people.

Sir,

I have the honor to request that I may be allowed to take with me, when I go on tour, a clerk and a few men employed in this Department, and that I may be permitted to engage 3 Europeans for employment during my tour, one of them to be permanently employed to keep the books in order and at the same time make himself generally useful on the tour when I am not on tour.

I am at present without a clerk when away from headquarters and I will have all the general work of my office to conduct, in consultation with the Board. If I am, besides, the clerk that I propose should accompany me will be of great use to me as an interpreter and in various other matters.

inquiries, services which will be of all the
greater value if he can accompany me
over each of the Districts I shall visit.

Instead of the Collector of the District
being paid for his services as
is suggested in para 3 of the Proceedings
of the Board & resolved the 13th of Sep-
tember 1876, I should much prefer to
have the assistance of an agent of some
officer familiar with the peculiarities
of the agriculture of the District who
could accompany me during my
visits.

I would scarcely add that unless
very efficient it is not at my disposal.
But it will be a simple matter of
time and money for me to go on tour
over the out of the way Districts.

Yours faithfully
Wm. R. Robertson
