Police.

No. 125. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 5th August 1875, No. 3931:—

I have the honor to forward the letter noted in the margin from the Superintendent of Police, Chingleput, and, with reference to the Proceedings of the Board of Revenue, dated 30th July 1875, also annexed, to request that Government will sanction an increase to the force of the Chingleput District of two Head Constables and six Constables now employed on the Distillery at Tondiarpett, and for charging the cost to the distiller.

Enclosures two.
No. 473, dated 17th July 1875.

2. The Superintendent of Police explains that the extension of salt manufacture in the district makes it necessary to employ all the men sanctioned for this branch on their own special duties, and that in consequence the guard for the distillery can no longer be supplied without interfering with the proper guarding of salt-pans and platforms.

3. It appears from the Proceedings of the Board that no provision binding the distiller to pay for a guard is made in the agreement, but it is possible that a fresh arrangement might be made to this effect when the contract is renewed.

From Captain A. M. LYS, Acting Superintendent of Police, Chingleput District, (through the Deputy Inspector-General) to Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, Madras, dated St. Thomas' Mount, 17th July 1875, No. 473.

I have the honor to request you will be good enough to obtain the sanction of Government to a guard of two Head Constables and six men specified in the margin being enlisted for the Arrack Distillery at Tondiarpett and charged to the Revenue Department.

1st Class Constables	2

2. The guarding of this distillery was made over to this district in 1869—*vide* G.O., No. 1847, dated 22nd November 1869—and ever since, the guard was furnished from the permanent salt guards; but owing to extensive manufacture of salt it has been found extremely difficult to spare men this year from the salt guards, and as it is likely that the manufacture will be continued on the same scale in future years, and as, moreover, no men can be spared for this duty from the General Police Force, I request sanction as above stated.

Proceedings of the Board of Revenue, dated 30th July 1875.

Read letter from the Inspector-General of Police, dated 24th July 1875, No. 3694, requesting that certain Police guard at the Tondiarpett Distillery be provided at the cost of the Contractor.

The Distillery at Tondiarpett differs from distilleries on the excise system where the distillers pay for the guards, and the Contractor's agreement contains no stipulation that the cost of the Police guard at the distillery is to be defrayed by him. The charge must, therefore, be borne by Government as usual.

Proceedings of the Madras Government, Judicial Department,
18th August 1875.

No. 126. ORDER THEREON, 18th August 1875, No. 1822.

The proposed increase to the Police Force in the District of Chingleput is sanctioned. The charge for the force must be met from the general assignment for the Police under Provincial Services.

2. It is observed that a Police guard was expressly employed on the Distillery at Tondiarpett prior to the introduction of the decentralization scheme, and the charge debited to the Police grant; no charge on that account (unless it be in excess of previous expenditure) can therefore be claimed from Imperial Revenues.

3. The Inspector-General of Police will expedite the submission of the information called for in G.O., dated the 1st July 1875, No. 1398.
