Proceedings, Board of Revenue, dated 17th July 1875, No. 6495 (Mis.).

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 2nd July 1875, No. 181:—

I have the honor to forward, for the sanction of Government, the accompanying plans and estimates for the erection of verandahs to the record-rooms of the Ahtur and Namkul Taluq Cutcherries.

2. The two Cutcherries were recently built, but the verandahs were for some reason or other omitted. The consequence is that the rooms are exposed to all the inelencencies of the weather. The proposed works are therefore most urgently required.

Government have recently refused to sanction proposals for the addition of verandahs to Cutcherries on the standard plan, holding that they are not absolutely necessary in the interest of the public service. The Board therefore are precluded from forwarding the Collector's proposals.

Acting Secretary.

Letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 31st July 1875, No. 224.

With reference to the Board's Miscellaneous No. 6495, dated the 17th instant, I have the honor to state that the verandahs have already been sanctioned for the Cutcherries at Ahtur and Namkul, and have been put up on all sides, except the side of the record-rooms; and for the protection of the walls and doors of the record-rooms from sun and rain, it is absolutely necessary that verandahs for the record-rooms should be provided. Under these circumstances, I trust the Board will be so good as to reconsider the matter and recommend the estimates, which are herewith retransmitted for sanction.

In compliance with the Collector's wishes, the Board resolve to submit the proposals made in his first letter for the sanction of Government.

Acting Secretary.

No. 161.

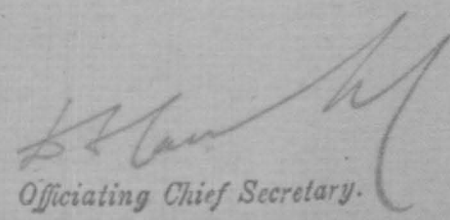

ORDER THEREON, 23rd August 1875, No. 1859.

The Governor in Council is not prepared to sanction the estimate for Rs. 660 for adding a verandah to the record-room at Ahtur. The addition may be desirable, but is not, in the opinion of His Excellency in Council, absolutely necessary.

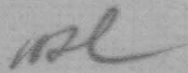

2. Funds are urgently needed for incomplete works throughout the Presidency, and no additions to existing buildings will (as already intimated in paragraph 2 of G.O., dated the 21st May 1875, No. 1202) be sanctioned at present.

3. The Board of Revenue will be requested to draw the special attention of all District Officers to paragraph 17 of the Comptroller-General's Circular, alluded to in G.O., dated 6th August 1875, No. 1602, Financial.
