*Proceedings of the Madras Government, Judicial Department,
30th August 1875.*

Taluq Cutcheries.

No. 199. Read the following Proceedings of the Board of Revenue, dated 19th August 1875, No. 7562 (Miscellaneous):—

Read the following letter from W. LOGAN, Esq., Acting Collector of Malabar, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 5th August 1875, No. 248:—

I have the honor to inform you that the building now occupied as Cutcherry by the Sub-Magistrate of Kuttuparamba is scarcely habitable and completely insecure. Its defects have been lately most prominently brought to notice both by the Joint Magistrate and by the Registrar-General of Assurances. I beg, therefore, to recommend that a new office may be built for the accommodation of this officer at the above-mentioned place. This proposal was some years ago laid before the Board and Government and met with Board's approval (*vide* Board's Proceedings, dated 28th December 1867, No. 8260). In the Government Order on the subject, Revenue Department, dated 18th January 1868, No. 144, no mention is made of the transfer of the Sub-Magistrate's office, but the Order was interpreted as tacitly approving of the Collector's proposals to move the Sub-Magistrate from Chavacherry to Kuttuparamba and to build him an office at the latter place, so that the only question remaining to be settled is whether provision can be made in the Public Works Department for the necessary funds.
