Read the following :—

No. 72. Proceedings of the Board of Revenue, dated 5th December 1874,  
No. 3,523.

Read the following Memorandum from the Accountant-General, Madras, to  
J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St.  
George, 22nd August 1874, No. 4,730 :—

*Vide* Board's Proceedings, No. 2,344, dated 21st August 1874.

The undersigned has the honor to state that, in his opinion, it would be just  
as well if the questions were all answered; but on this point the Board can come  
to any decision they think proper.

2. The Financial Secretary to the Government of India has authorised the  
undersigned to inspect the accounts of the Commissioner of the Nilgiri Hills, and  
this work will be commenced on Tuesday next, the 25th instant.

(Signed) R. W. LODWICK,  
Accountant-General.

SUBMITTED for the orders of Government, in continuation of the Board's letter,  
dated 28th August 1874, No. 2,442.

2. The Board think that, if the Assistants of the Accountant-General are to  
go and inspect the treasuries periodically, it is not necessary to obtain written  
answers to the questions printed with G. O., dated 4th May 1874, No. 766; but if  
there is to be no special officer deputed for examination, it would be useful if  
Collectors are made to answer all the questions.

Secretary.

No. 73. Endorsement of the Acting Chief Secretary to Government, Fort St.  
George, dated 20th January 1875.

tary to the Government of India, Financial Department, to the Chief  
Secretary to the Government of Madras, dated Fort William, 14th January  
1875, No. 179.

In acknowledging the receipt of your letter, No. 1,295, dated 9th October 1874,  
and its enclosure, I am directed to state that, under the circumstances therein stated,  
the Governor-General in Council has no objection to the duty of inspecting district  
treasuries in the Madras Presidency being assigned to the Collectors of Revenue in  
that Presidency.

No. 74. ORDER THEREON, 4th February 1875, No. 189.

Miscellaneous.

The letter from the Government of India above recorded will be communicated to the Board of Revenue, with

reference to their letter, dated 28th August 1874, No. 2,442.

2. In their Proceedings of 5th December 1874, No. 3,523, also recorded above, the Board suggest that, if there is to be no special officer deputed for the examination of the district treasuries, it will be useful if Collectors are made to answer all (one hundred and forty) the questions given in

the Comptroller-General's Circular, dated 16th April 1874, No. 172, but cancelled by the Resolution\* of the Government of India, dated 19th June 1874, No. 3,853.

That Resolution, however, directed that, if it is "considered necessary for the Account Department" to get information on all the points referred to in the list, it would be better to send the list of questions once a year to the Collectors and for them

to return it with their replies to the Accountant-General. The Accountant-General† does not seem to attach much

importance to the answering of these questions, and the Government concur with the Board in the opinion expressed by them in paragraph 2 of their Proceedings,‡ dated 21st August 1874, No. 2,344, that it is not necessary to impose the labor on Collectors.

3. The Board may, however, prescribe, in communication with the Accountant-General, a few questions, in order to satisfy themselves, from time to time, that the requirements specified in paragraph 3 in the Resolution of the Government of India, dated 5th December 1873, No. 3,461, are being complied with.
