1922

Proceedings of the Board of Revenue

Dated 6th August 1875.

Read Petition No. 1549 of 1875 from Ma-
=rojee Rattanjee late Abkari Contractor of
Kurumbranad Taluq, Malabar District, appeal-
=ing against the endorsement of the Collector
refusing to refund the excess stamp duty
levied on the engagement executed by Petition
=er as Abkari Contractor.

The Board do not concur with
the Collector in the opinion that petition
=er is not entitled to a refund of excess
stamp duty on the ground that he had
forfeited his lease for arrears. The Govern
=ment in limiting refunds to current leases
clearly meant only to exclude applications
for refunds on duty collected on ob en-
=gagements and in the present case the

period

period of the lease was still current though petitioner's farm had been resold for his own default.

2. The Collector will state whether there is any demand outstanding against the petitioner. In that case the amount of excess duty should be debited to Stamp Refunds and credited to Abkari arrears. If there is no demand against him the amount of the stamp only to be refunded should be reported to enable the Board to obtain the sanction of Government, the engagement having been executed more than two years ago.
